Monthly meetings with illustrated talks.  
Speakers from the wider world of horticulture.  
Visits to gardens in the south of England.  
Christmas party and summer events to enjoy.  
Discount at the Yew Tree Garden Centre.

The club meets on the 4th Thursday of each month, between September and April, in Woolton Hill Church Hall, Woolton Hill, RG20 9XF. Doors open at 7.30 pm with an opportunity to purchase raffle tickets and to socialise with other members and visitors. Talks begin at 8 pm.

Our forthcoming programme of talks covers a range of interesting subjects from the gardens of Iceland and Sweden to wildflowers in the local area, as well as other topical subjects such as insects and pollination.

The AGM is held on the first Thursday in September and gives members a chance to reflect on our summer events and enjoy a glass of wine together.

Each month, one of the club's members writes an article for Spectrum, the local magazine, either based on the talk of the month or other topics of interest to gardeners.
